1. Reference (a) is hereby cancelled and replaced with the following updated Department of the Navy (DON) interim policy requirements:

a. The accreditation of the Secure Internet Protocol Router Network (SIPRNET) includes the hosting of North Atlantic Treaty Organization (NATO) information. All personnel must receive a NATO security briefing prior to establishing a SIPRNET account per references (b) and (c).

b. Completion of the NATO security briefing shall be documented in one of two ways:

1. Joint Personnel Adjudication System (JPAS) for only those personnel who have a requirement to routinely access NATO information.

2. Local documentation within the command (e.g., training folder, command database, etc.) for those personnel requiring access to SIPRNET, but do not have a requirement to routinely access NATO information.

2. Access to NATO briefing material is available via the Central U.S. Registry (CUSR) located at the following URL:
<https://secureweb.hqda.pentagon.mil/cusr/forms.aspx>.

3. Department of the Navy personnel with access to NATO information are reminded to comply with references (d) and (e).
