Captain Oberley, my IRR folks just came to see me. The initial search for completion in May (Alexis' anniversary month) indicated he did not complete his screening. However, my folks did find his name as completing in both June of 2012 and June of 2013.

We are working through some IT challenges that prevent me from seeing the actual data, but I can say that he did complete the screenings.

I'm sorry for the erroneous information...please let me know if you have any further questions.

VR, ess

Good morning.

Member did not complete annual screenings. Based upon his Feb 2011 entry in the IRR, the first screening would have been required in Feb 2012. When not completed, PERS-93 would attempt to contact via mail at the Fort Worth address and phone number that was provided at the time of separation from active duty. Based upon participation level indicated, this member would have been discharged at MSO, May 2015.

Very respectfully,
CAPT Liz Stephens

(b)(6), (b)(7)(c),

PERS 95 stated that there is an annual screening requirement for all IRR members. Is there a record of Alexis completing his annual screening? I don't think we ever asked that question. Thanks

R / CAPT Mark Oberley

CAPT Davies,

The requirement for IRR sailors to update their address with the Navy is found in 10 USC 10205.

Mary, Randy, 6/7c,

Sorry for the shotgun email, but had a question come up today from one of the many meetings involved in this JAGMAN. Is there a requirement (if so, where is it?) for IRR Sailors to update their addresses with the Navy or DOD?

Thanks

V/R

Brian
