

# Additive Manufacturing & FAB LAB

## *Ideation Challenge*

## 3-D Printing & Fabrication Labs

... are coming to the DON and we need YOUR ideas on how to best use this emerging technology.

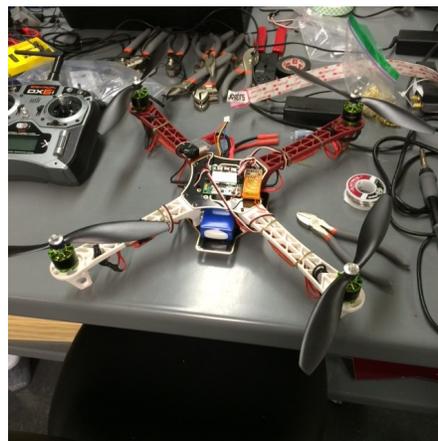

Think you know what locations within the DON a Fab Lab would add the most value?

Think you know what capabilities demonstrations the fleet would want in a Fab Lab?

Logon to [the Hatch](#) and join the conversation!

*“the Hatch” is open 11 September —12 October*

***What kind of capability demonstrations should be at a Fab Lab?  
At what locations in the DON would the Fab Lab add the most value?***

*“Innovation combines the ideas, insights, & resources of our Sailors, Marines & civilians in new ways to benefit the naval services.”*
