1000 Navy Pentagon, Room BF-992
Washington, D.C. 20350-1000

Dear M.

As we informed you by letter dated March 24, 2008, the Government Accountability Office implemented a new financial management system in fiscal year 2008 and entered into a cross servicing arrangement with the Department of Transportation Enterprise Service Center (DOT/ESC) to perform certain accounting transactions affecting the Davis Bacon Fund. To provide for more timely receipt of items, DOT/ESC has requested that any payments for the disposition of contract payments withheld or suspended under the Davis Bacon Act or the Contract Work Hours and Safety Standards Act and implementing regulation FAR 22.406-9(c) and the Standard Form 1093 be sent to a new address noted below.

Therefore, effective January 2, 2009, please send payments for the disposition of contract payments withheld or suspended under the Davis Bacon Act or the Contract Work Hours and Safety Standards Act and implementing regulation FAR 22.406-9(c) and the Standard Form 1093 to the address below.
