MEMORANDUM FOR DISTRIBUTION

SUBJECT: Class Deviation—Authorization for Contractors to Use Government Supply Sources in Support of Operation Enduring Freedom

The attached Director, Defense Procurement and Acquisition Policy memorandum of October 12, 2012 is forwarded for your information and action, as appropriate. It informs the Department of Defense contracting community that effective immediately, deviation from the policy of FAR 51.101, which restricts the use of Government supply sources in other than cost-reimbursement contracts, is authorized. Contracting officers are encouraged to authorize contractors (including contractors with fixed-price contracts) to use GSA Central Asia and South Caucasus Supply Catalog under the GSA Global Supply Program in performance of contracts in support of Operation Enduring Freedom. Further details are provided in the memorandum.

My point of contact is CAPT S. E. Armstrong at 703-614-9598 or [stephen.e.armstrong3@navy.mil](mailto:stephen.e.armstrong3@navy.mil).

SUBJECT: Class Deviation—Authorization for Contractors to Use Government Supply Sources  
in Support of Operation Enduring Freedom.

Effective immediately, contracting officers are encouraged to authorize contractors (including contractors with fixed-price contracts) to use GSA Central Asia and South Caucasus Supply Catalog under the GSA Global Supply Program (<http://www.gsa.gov/portal/content/118171>) in performance of contracts in support of Operation Enduring Freedom. This constitutes a deviation from the policy at FAR 51.101, which restricts the use of Government supply sources in other than cost-reimbursement contracts. Contracting officers may also modify existing contracts to include FAR clause 52.251-1, Government Supply Sources. Contractors should be instructed that GSA local sourcing items can currently be accessed via MILSTRIP requisitioning only, which will necessitate the assignment of a Department of Defense Activity Address Code (DODAAC) by the Department of Defense contracting officer (DFARS PGI 251.1).

This class deviation remains in effect until incorporated in the DFARS or otherwise rescinded. My point of contact is Ms. Kyoung Lee, who may be reached at 571-256-2947, or at [Kyoung.Lee@osd.mil](mailto:Kyoung.Lee@osd.mil).
