MEMORANDUM FOR DISTRIBUTION

SUBJECT: Reducing Reliance on Bridge Contracts

The attached Assistant Secretary of the Navy for Research, Development and Acquisition (ASN RD&A) memorandum (same subject, dated October 1, 2012) establishes policy intended to reduce reliance on the use of bridge contracts. The policy requires the acquisition team, requirements generators, program managers and contracting officers to obtain approval and authorization to award a bridge contract from the Head of the Contracting Activity, Echelon II Chief of the Contracting Office (CCO) or Activity CCO, based on dollar threshold. The bridge contract approval authorization is required prior to requesting a justification and approval (J&A).

The policy is effective November 15, 2012, and will be codified in the Navy Marine Corps Acquisition Regulation Supplement.

My point of contact is Kenneth Brennan. He can be reached at (703) 693-1167 or kenneth.brennan@navy.mil.

OCT 1 2012

MEMORANDUM FOR DISTRIBUTION

SUBJECT: Reducing Reliance on Bridge Contracts

The Under Secretary of Defense for Acquisition, Technology and Logistics memorandum of November 3, 2010, is an implementation directive to promote greater efficiency and productivity in Department of Defense spending. One initiative focuses on promoting real, effective competition. The use of bridge contracts—a descriptive term for a non-competitive contract to "bridge" the time between the end of one contract action and the beginning of another—is an impediment to real competition. Spend patterns across the Department of the Navy (DON) demonstrate an over-reliance on bridge contracts. Between October 1, 2009 and March 31, 2011, DON issued 375 bridge contracts totaling more than \$2.2B.

To reduce reliance on bridge contracts and promote real competition, in addition to the justification and approval (J&A) for the sole source requirement, the program manager/requirement owner shall prepare a separate request for authorization to award a bridge contract. This determination shall address the rationale for use of a bridge contract, certify to the urgency of the requirement, and be signed by both the program manager/requirement owner and the Contracting Officer. The Chief of the Contracting Office (CCO), Echelon II CCO, or Head of Contracting Activity (HCA) shall approve the request for actions based on the following thresholds:

Bridge Value	Approval Authority
\$650,000 or less	Activity CCO
Between \$650,000 and \$5,000,000	Echelon II CCO
Greater than \$5,000,000	HCA

This approval authority is delegable one level only. A template to request bridge contract authorization is attached herein.

J&As for bridge contracts shall not be submitted for review and/or approval before the bridge contract authorization is approved for inclusion in the J&A package.

Within 30 days of the end of each quarter, each HCA shall report to the Director for Services Acquisition in the Office of the Deputy Assistant Secretary of the Navy, Acquisition and Procurement (DASN AP) data on bridge contract use, as detailed in the

SUBJECT: Reducing Reliance on Bridge Contracts

attached spreadsheet template. Reports shall be submitted via email to: seniorservicesmanage.fct@navy.mil. Negative reports are required and may be submitted via memorandum. An electronic version of the spreadsheet is available at: https://acquisition.navy.mil/rda/home/acquisition_one_source/bridge_contract_policy.

This memorandum is effective 45 days from issuance. Address questions or comments to Kenneth Brennan at e-mail: kenneth.brennan@navy.mil or phone: (703) 693-1167.

REQUEST FOR AUTHORIZATION OF BRIDGE CONTRACT

- 1) Contract #:

- 2) Incumbent Name:

- 3) Date Current Contract Period of Performance Expires:

- 4) Period of Performance and Value of Last Order/Contract Action:

- 5) Date Requirement for Bridge Contract Identified:

- 6) Estimated Period of Performance and Value of Bridge Contract:

- 7) Anticipated Award Date for Follow-on Contract (after bridge contract):

- 8) Reason for Bridge Contract:

- 9) Describe the Urgency and Impact of Lack of Contractual Coverage Without Bridge Contract:

- 10) Actions Taken to Eliminate Future Need for Bridge Contract: (address whether the acquisition strategy is full and open, limited competition, or sole source)

CERTIFICATIONS AND APPROVAL

TECHNICAL/REQUIREMENTS CERTIFICATION

I certify that the facts and representations under my cognizance which are included in this request for authorization of a bridge contract are complete and accurate to the best of my knowledge and belief.

Technical Cognizance:

Signature Name (Printed) Phone No. Date

Requirements Cognizance:

Signature Name (Printed) Phone No. Date

CONTRACTING OFFICER CERTIFICATION

I certify that the facts and representations for this request for authorization of a bridge contract are accurate and complete to the best of my knowledge and belief.

Signature Name (Printed) Phone No. Date

ACQUISITION VALUED \$650,000 OR LESS
ACTIVITY CHIEF OF THE CONTRACTING OFFICE APPROVAL

Upon the basis of the information contained in this request, I hereby approve, as the Activity Chief of the Contracting Office, the negotiation of a bridge contract valued at \$650,000 or less as described herein.

Signature Name (Printed) Date

ACQUISITION VALUED BETWEEN \$650,000 AND \$5,000,000
ECHELON II CHIEF OF THE CONTRACTING OFFICE APPROVAL

Upon the basis of the information contained in this request, I hereby approve, as the Echelon II Chief of the Contracting Office, the negotiation of a bridge contract valued between \$650,000 and \$5,000,000 as described herein.

Signature Name (Printed) Date

ACQUISITION VALUED GREATER THAN \$5,000,000
HEAD OF THE CONTRACTING ACTIVITY APPROVAL

Upon the basis of the information contained in this request, I hereby approve, as the Head of the Contracting Activity, the negotiation of a bridge contract valued greater than \$5,000,000 as described herein.
