MEMORANDUM FOR DISTRIBUTION

SUBJECT: Reissuance of the Navy Marine Corps Acquisition Regulation Supplement (NMCARS)

In accordance with Department of Defense (DoD) instruction 5025.01, NMCARS was reviewed and determined to be necessary, current, and consistent with DoD policy.

As a result of the review, the attached September 2013 edition of the NMCARS replaces and supersedes the April 2008 edition of NMCARS. The NMCARS implements and supplements the Federal Acquisition Regulation (FAR), Defense FAR Supplement (DFARS) and the Procedures, Guidance and Information (PGI).

The changes identified during this review resulted in administrative changes such as: conforming "should" to "shall" where warranted based on regulation or previously issued policy; conforming acronyms, numbering, and titles; updating organizational names; and incorporating FAR, DFARS or PGI cites in section and subsection titles. This updated version of the NMCARS is available online.

To the extent this NMCARS conflicts with policy issued in any previous memorandum, the policy in the memorandum should be considered cancelled and/or superseded. Prior guidance that does not conflict with this NMCARS remains in effect.

The point of contact for the NMCARS is Denise Randolph. She can be reached via telephone on (703) 614-9767 or via email at [Denise.Randolph@navy.mil](mailto:Denise.Randolph@navy.mil).
