MEMORANDUM FOR DISTRIBUTION

SUBJECT: Acquisition Workforce Position Re-designation Open Season

Reference(s): (a) PCDasN memo of 25 JUN 10, Temporary Hold (Suspension)
on Acquisition Billet Re-designation
(b) PCDasN memo of 13 DEC 10, Moratorium on Acquisition
Billet Re-designation

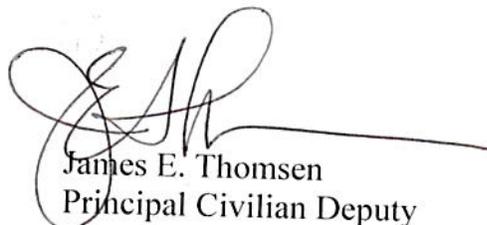

Attachment(s): (1) Request for Re-designation of AWF Positions
(2) Request for Re-designation of AWF Positions Detail for Approved
Recoding

This memorandum supersedes references (a) and (b) and incorporates an annual Open Season for Acquisition Workforce (AWF) position re-designations.

In 2010, I placed a hold on adding or deleting the AWF designation on positions. I am lifting this hold and authorizing the Director, Acquisition Career Management (DACM) to implement an annual open season for making changes.

The first Open season will be executed September through November 2014. Request commands summarize their civilian AWF position designation changes in attachment (1) and submit to the DACM by September 30, 2014, for approval. Commands with more than 200 changes are required to include a phase-in plan due to potential impact on training resources. Upon approval, attachment (2) will be required to execute mass update to DCPDS. It will be requested by the DACM upon approval.

I sincerely appreciate your assistance in this important matter. If there are any questions, my point of contact is Ms. René Thomas-Rizzo. She can be reached at (703) 614-0522 or by e-mail at rene.thomas-rizzo@navy.mil.
