MEMORANDUM FOR DISTRIBUTION

SUBJECT: Force Health Protection Guidance for the Department of Navy

Reference: ALNAV 025/20

In an effort to provide a consistent message to our Navy and Marine Corps team, the referenced ALNAV incorporates the latest information and guidance regarding the 2019 novel coronavirus disease (COVID-19) as it applies to the Department of the Navy (DON) response.

I appreciate the collaborative effort across the DON in support of our Service Members, their families, and our civilian personnel. Recognizing that information and corresponding guidance will evolve, I would like to stress that the safety of our personnel and their families is paramount. The guidance provided is a resource for you to implement regulations in a common sense approach. I trust your leadership and risk-informed decisions as we navigate through these uncertainties while ensuring mission readiness.
