Encl:  (1) Navy Reserve Direct Appointment Program Authorizations

1. **Purpose.** To provide guidance for the Navy Reserve Direct Appointment Program. This instruction is being reissued with a new date, updated version, and signature authority to meet the Chief of Naval Operations’ (CNO) age requirement for Office of the Chief of Naval Operations (OPNAV) instructions.

2. **Cancellation.** OPNAVINST 1120.3A.

3. **Background.** The Navy Reserve Direct Appointment Program was established to access qualified civilian and enlisted Reserve applicants directly into Navy Reserve Officer programs. The applicant's education or experience must have direct applicability to the appropriate designator. The general professional standards are identical to those applied to active duty accessions. Quotas are assigned to fill Selected Reserve (SELRES) vacancies, which cannot be filled from the Navy veteran manpower pool.
4. Authority. Qualified applicants will be appointed to the Navy Reserve and placed on the Reserve active status list under the provisions of law, reference (a), and Chief of Naval Operations policy for the specific designator under the applicable appointment instruction, and references (b) through (k). Authority to recruit is based on the program authorizations listed in enclosure (1). Appointments under this program are not applicable to full-time support officers.

5. Program Guidance

   a. Deputy Chief of Naval Operations (Manpower, Personnel, Training and Education) (CNO (N1)) shall publish recruiting goals for reserve direct appointment accessions. Commander, Navy Recruiting Command (COMNAVCRUITCOM) shall recruit for direct commissions only those applicants who:

      (2) Are willing to serve in a SELRES mobilization billet and are available for mobilization whenever called upon by higher authority.

   b. COMNAVCRUITCOM shall process completed applications through professional selections and appointments. Applications for Reserve officer direct appointments shall be processed with the same priority as applications for active duty officer appointments.

      (1) During the direct commission application process, the applicants’ willingness to mobilize and their personal circumstances, which can affect their ability to mobilize, must be addressed.

      (2) If selected for appointment, applicants shall be offered a Reserve commission and must execute an acceptance and oath of office and a Ready Reserve agreement prior to receiving orders to a SELRES billet.

   c. Officers appointed under the direct appointment program will be required to attend the Direct Commission Officer Indoctrination Course in Newport, Rhode Island, within 1 year of appointment.
(1) After completion of Direct Commission Officer Indoctrination Course, officers will be required to serve a minimum of 3 years in designator before making any request for designator change or transfer to another Service.

(2) In addition to Direct Commission Officer Indoctrination Course, individual communities will provide designator-specific training courses for new direct appointees. Examples of such training include, but are not limited to, Navy Reserve Supply Officer Basic Qualification Course and Naval Intelligence Officer Basic Course.

d. As directed in reference (1), members of Congress, Federal political appointees, elected state and local government officials, Federal judiciary members, and Federal career senior executive service employees may not be offered an original direct appointment without prior written approval of CNO (N1).

(6) Ensure that before appointment, applicants who will be unable to complete 20 years of creditable service for retirement shall acknowledge in writing that they are ineligible for retirement.
