Subj: ADVANCED EDUCATION GOVERNANCE

Ref: (a) CNO memo 1524 Ser N00/100105 of 31 October 2008 (NOTAL)

Encl: (1) Advanced Education Review Board (AERB)
      (2) Education Coordination Council (ECC)

1. Purpose. To provide guidance on integrated governance of advanced education policies, programs, and instructions. This instruction has been updated to reflect changes to Navy organizational structure. This instruction is a complete revision and should be reviewed in its entirety.

2. Cancellation. OPNAVINST 1520.42.

3. Background. Education is a strategic investment in the future capabilities of the naval service. This investment requires a deliberate framework to optimize policy coordination and integration across the Navy. Per reference (a), the Chief of Naval Operations (CNO) approved establishment of a framework that directly links education funding to strategy and strengthens the Navy’s ability to provide the right education opportunities to the force for both current and future missions.

4. Policy

   a. The Vice Chief of Naval Operations (VCNO) is the Navy’s education executive agent. The education executive agent will guide the Navy’s investment in education by providing the vision and direction to enable unity of effort through coordinated policy, validated requirements, prioritized resources, and standardized processes.

   b. The education executive agent will be supported by an advanced education review board (AERB) as described in
enclosure (1). The Deputy Chief of Naval Operations (Manpower, Personnel, Training and Education) (CNO (N1)) will serve as the executive secretary to the AERB. The executive secretary will:

(1) Schedule semi-annual AERB meetings.

(2) Prepare and disseminate AERB meeting agendas and minutes.

(3) Obtain and provide information, data, and studies required to support AERB decisions and action items.

c. The education coordination council (ECC), which is described in enclosure (2), will support the functions of the executive secretary. It will be chaired by the Assistant Deputy Chief of Naval Operations (Manpower, Personnel, Training and Education) (OPNAV (N1B)).

d. The AERB and ECC will facilitate collaborative and mutually supporting relationships among education stakeholders. This will ensure education policy, programs and supporting infrastructure are available to develop and sustain a portfolio of skills and competencies aligned to CNO guidance and the maritime strategy.

e. The AERB and ECC will not supplant assigned responsibilities of CNO (N1) or the Deputy Chief of Naval Operations for Fleet Readiness and Logistics (CNO (N4)).

f. The Presidents of the Naval War College (NWC), Naval Postgraduate School (NPS), and the Superintendent, United States Naval Academy (USNA), report to the CNO. However, they will conduct routine education and education-related base support and facilities business through either CNO (N1) or CNO (N4), as appropriate.

5. Action

a. The AERB will meet at least semi-annually at the call of the chair. Meetings will be scheduled to provide timely recommendations to coincide with key decision points in the Navy’s assessment and resourcing processes.
b. The ECC will meet at least semi-annually at the call of the chair. It will direct working group activities and formulate solutions and recommendations for AERB consideration. Meetings will be scheduled to support development of AERB agendas and necessary recommendations.

c. The AERB executive secretary will ensure matters requiring CNO or VCNO decisions are directed to the AERB for consideration. Issues which may be resolved at lower levels will be directed accordingly.

6. Records Management. Records created as a result of this instruction, regardless of media and format, shall be managed per Secretary of the Navy Manual 5210.1 of January 2012.
