10. REPORT ON EXECUTIVE ORDER (EO) 13392 IMPLEMENTATION. In this section, which is required for the FY 2006 and FY 2007 FOIA Annual Reports, Components detail their compliance with EO 19932. (Attach additional sheets if necessary. Reference each continuation sheet by item number.)

a. DESCRIPTION OF ANY SUPPLEMENTATION/MODIFICATION TO DOD IMPROVEMENT PLAN BY YOUR COMPONENT (If applicable). Describe any refinements or changes to the DoD FOIA Improvement Plan made by your Component. If this does not apply to your Component, state "None".

None

b. REPORT ON YOUR COMPONENT IMPLEMENTATION OF THE DOD FOIA IMPROVEMENT PLAN. Describe how your Component performed in meeting each of the milestones listed in the Plan.

We received approval to deploy REDAX, an electronic redaction system, on our NMCI computers. We anticipate this will reduce processing times. The Naval Safety Center has increased their staff and is very proactive in combating their backlog. We continued to conduct and promote FOIA training. Many of our coordinators attended training offered by the American Society of Access Professional (ASAP), USDA Graduate School, and DON/DOD sponsored training.

c. IDENTIFICATION OF DEFICIENCIES (If applicable). If your Component did not meet one or more milestones, list which one(s) were not met and why.

We're diligently working on expanding our electronic reading rooms.

d. ADDITIONAL NARRATIVE REGARDING OTHER EXECUTIVE ORDER-RELATED ACTIVITIES (optional). This section allows Components the opportunity to provide any comments relevant to EO 13392.

In an effort to strengthen our FOIA program and ensure our FOIA community has up-to-date tools, we routinely disseminate policy guidance and items of interest quickly via our FOIA email system; update our FOIA web site to include more FOIA tools/guidance; provide guidance to our FOIA coordinators and/or their attorneys via emails and phone; provide guidance to requesters via email and phone; distributed the DOJ FOIA Guide to our FOIA coordinators and attorneys.
