**Subject:** RE: HOT - UNINSTALLED AFFF (Cans and Drums)  
**Date:** Wednesday, July 05, 2017 13:48:57

---

(b) (6),

Yes, we have segregated PFOS and PFOA AFFF, but have NOT turned them into CHRIMP yet. We were advised to hold off pending further guidance. We have replacement C6 AFFF on hand to meet our needs and do not require additional AFFF at this time.

(b) (6), (b) (6) just want to confirm the following:

1. CNRH installation F&ES Depts have segregated (in-station) or turned in all PFOS AFFF.  
- See attached file. If you have turned in AFFF please indicate the number of cans turned in.  
- Check with Hickam DZSP to ensure they have re-ordered non-PFOS AFFF for "ready reserve." They should hold 1,260 AFFF for ready reserve.
2. CNRH installation F&ES Depts have a "ready reserve" of non-PFOS AFFF equal to:  
Hickam 1,260  
Wheeler AAF 420
3. CNRH installation F&ES Depts do not require additional AFFF.
