Subject: Barrier PM & Cost Proposals
Signed By: (b) (6) @navy.mil

(b) (6)

We had two proposals in our files from ELCON to provide all design, parts, supplies and labor required to replace four Norshield Vehicle Barriers located at the 6th and O Street gates. ELCON provided costs from two subcontractors for this work:

- 1 - Delta for \$695,250.78
- 2 - Ross for \$721,510.20

Please feel free to call me if you have any questions.

v/r,
