Section 2410n of title 10, United States Code, enacted by section 811 of the National Defense Authorization Act, FY 2002 (Pub. L. No. 107-107), specifies under what circumstances the Department of Defense is not required to purchase mandatory items from Federal Prison Industries (FPI) (copy attached). This provision was effective on October 1, 2001, and takes precedence over the current Federal Acquisition Regulations (FAR) that address purchases from FPI. You should also be aware of 18 U.S.C. 4124 and consult with counsel in regard to such purchases.

While 10 U.S.C. 2410n is in effect and controlling, more definitive guidance will be forthcoming through an interim Defense FAR Supplement (DFARS) rule concerning DoD purchases from FPI. This interim rule has been forwarded to the Office of Management and Budget, Office of Information & Regulatory Affairs for approval.
