MEMORANDUM FOR DISTRIBUTION

SUBJECT: Class Deviation – Limitations on Pass-Through Charges

The attached memorandum from the Director, Defense Procurement and Acquisition Policy (DPAP) of December 23, 2009, directs contracting officers to follow the new Federal Acquisition Regulation (FAR) interim rule, issued October 14, 2009 with Federal Acquisition Circular 2005-037, and which addresses statutory limitations on excessive pass-through charges in contracts awarded by the Department of Defense and other Executive Agencies. The FAR interim rule supersedes corresponding Defense Federal Acquisition Regulation Supplement (DFARS) coverage. As a result, DPAP authorizes a class deviation and eliminates the specified DFARS guidance.

Effective immediately, contracting officers shall use the FAR guidance cited in the attachment instead of the eliminated DFARS guidance. The attachment also provides a deviation from FAR 15.408(n)(2)(i)(B)(2) that adds an exception for fixed-price incentive contracts awarded on the basis of adequate price competition.

These deviations are effective until incorporated into the FAR and DFARS, unless otherwise rescinded. Please disseminate this information to all acquisition professionals. My point of contact is Evelyn Ortiz who is available at telephone number (703) 614-9640 or by email at evelyn.ortiz@navy.mil.

SUBJECT: Class Deviation - Limitations on Pass-Through Charges

Effective immediately, for the purpose of implementing requirements pertaining to
limitations on pass-through charges. DoD contracting officers shall use FAR
15.408(n)(1); 15.408(n)(2)(i)(B); 15.408(n)(2)(iii); 31.203(i); the provision at 52.215-22;
and the clause at 52.215-23 and its Alternate I, in lieu of DFARS 215.408(3) and (4);
231.201-2; 231.203(d): the provision at 252.215-7003; and the clause at 252.215-7004
and its Alternate I.

The DFARS text implements section 852 of the National Defense Authorization
Act for Fiscal Year 2007 and has been superseded by a FAR rule that implements section
852 as well as section 866 of the National Defense Authorization Act for Fiscal Year
2009. This class deviation therefore eliminates the identified DFARS text, provisions,
and clauses as obsolete, appropriately focusing on the FAR interim rule.

Additionally, this memorandum provides a deviation from FAR
15.408(n)(2)(i)(B)(2) to add an exception for fixed-price incentive contracts awarded on
the basis of adequate price competition. The deviations to the FAR and DFARS are
attached. This deviation is effective until incorporated into the FAR and DFARS, or
otherwise rescinded. My point of contact is Mr. Mark Gomersall, 703-602-0302, or via
e-mail at Mark.Gomersall@osd.mil.

EXCESSIVE PASS-THROUGH CHARGES—

(a) Definitions. "Added-value," "excessive pass-through charge," "subcontract," and "subcontractor," as used in this provision, are defined in the clause of this solicitation entitled "Excessive Pass-Through Charges" (DFARS 252.215-7004).

(b) General. The offeror's proposal shall exclude excessive pass-through charges.

(c) Performance of work by the Contractor or a subcontractor.

(ii) A description of the added-value provided by the subcontractor as related to the work to be performed by the lower-tier subcontractor(s).

(End of provision)

As prescribed in 215.408(4), use the following clause:

EXCESSIVE PASS THROUGH CHARGES (MAY 2008)

(a) Definitions. As used in this clause—

"Added value" means that the Contractor performs subcontract management functions that the Contracting Officer determines are a benefit to the Government (e.g., processing orders of parts or services, maintaining inventory, reducing delivery lead times, managing multiple sources for contract requirements, coordinating deliveries, performing quality assurance functions).

"Excessive pass-through charge," with respect to a Contractor or subcontractor that adds no or negligible value to a contract or subcontract, means a charge to the Government by the Contractor or subcontractor that is for indirect costs or profit on work
performed by a subcontractor (other than charges for the costs of managing subcontracts and applicable indirect costs and profit based on such costs).

— "No or negligible value" means the Contractor or subcontractor cannot demonstrate to the Contracting Officer that its effort added value to the contract or subcontract in accomplishing the work performed under the contract (including task or delivery orders).

— "Subcontract" means any contract, as defined in section 2.101 of the Federal Acquisition Regulation, entered into by a subcontractor to furnish supplies or services for performance of the contract or a subcontract. It includes but is not limited to purchase orders, and changes and modifications to purchase orders.

— "Subcontractor" means any supplier, distributor, vendor, or firm that furnishes supplies or services to or for the Contractor or another subcontractor.

— (b) General. The Government will not pay excessive pass through charges. The Contracting Officer shall determine if excessive pass through charges exist.

— (c) Required reporting of performance of work by the Contractor or a subcontractor. The Contractor shall notify the Contracting Officer in writing if—

— (1) The Contractor changes the amount of subcontract effort after award such that it exceeds 70 percent of the total cost of work to be performed under the contract, task order, or delivery order. The notification shall identify the revised cost of the subcontract effort and shall include verification that the Contractor will provide added value; or

— (2) Any subcontractor changes the amount of lower-tier subcontractor effort after award such that it exceeds 70 percent of the total cost of the work to be performed under its subcontract. The notification shall identify the revised cost of the subcontract effort and shall include verification that the subcontractor will provide added value as related to the work to be performed by the lower-tier subcontractor(s).

— (d) Recovery of excessive pass through charges. If the Contracting Officer determines that excessive pass through charges exist—

— (1) For fixed-price contracts, the Government shall be entitled to a price reduction for the amount of excessive pass through charges included in the contract price; and
For other than fixed-price contracts, the excessive pass-through charges are unallowable in accordance with the provisions in Subpart 31.2 of the Federal Acquisition Regulation (FAR) and Subpart 231.2 of the Defense FAR Supplement.

(e) Access to records

(1) The Contracting Officer, or authorized representative, shall have the right to examine and audit all the Contractor's records (as defined at FAR 52.215-2(a)) necessary to determine whether the Contractor proposed, billed, or claimed excessive pass-through charges.

(2) For those subcontractors to which paragraph (f) of this clause applies, the Contracting Officer, or authorized representative, shall have the right to examine and audit all the subcontractor's records (as defined at FAR 52.215-2(a)) necessary to determine whether the subcontractor proposed, billed, or claimed excessive pass-through charges.

(f) Flowdown. The Contractor shall insert the substance of this clause, including this paragraph (f), in all subcontracts under this contract, except for—

(1) Firm-fixed-price subcontracts awarded on the basis of adequate price competition;

(2) Fixed-price subcontracts with economic price adjustment, awarded on the basis of adequate price competition;

(3) Firm-fixed-price subcontracts for the acquisition of a commercial item; or

(4) Fixed-price subcontracts with economic price adjustment, for the acquisition of a commercial item.

(End of clause)

ALTERNATE I (MAY 2008). As prescribed in 215.408(4)(ii), substitute the following paragraph (b) for paragraph (b) of the basic clause:

(b) General. The Government will not pay excessive pass-through charges. The Contracting Officer has determined that there will be no excessive pass-through charges, provided the Contractor performs the disclosed value-added functions.
