MEMORANDUM FOR DISTRIBUTION

SUBJECT: Class Deviation—Definition of Contingency Operation

Effective immediately, all Department of Defense contracting officers shall comply with the language of the attached Director, Defense Procurement and Acquisition Policy memorandum of November 26, 2012 in lieu of the FAR 2.101 definition of “contingency operation.”

Section 515 of the National Defense Authorization Act for Fiscal Year 2012 added section 12304a to the list of sections cited in the definition of contingency operation at 10 U.S.C. 101(a)(13). The added section provides for treatment of an operation as a contingency operation when the Secretary of Defense activates Reserves under the terms of 10 U.S.C. 12304a in response to a Governor’s request for Federal assistance. This class deviation remains in effect until incorporated in the FAR or is otherwise rescinded. Further details are provided in the memorandum.

SUBJECT: Class Deviation—Definition of Contingency Operation

Effective immediately, all Department of Defense contracting officers shall comply with
the attached language in lieu of the FAR 2.101 definition of “contingency operation.” This class
deviation adds section 12304a to the list of sections of 10 U.S.C. cited in the definition of a
contingency operation.

Section 515 of the National Defense Authorization Act for Fiscal Year 2012 added
section 12304a to the list of sections cited in the definition of contingency operation at 10 U.S.C.
101(a)(13). Section 12304a provides for treatment of an operation as a contingency operation
when the Secretary of Defense activates Reserves under the terms of 10 U.S.C. 12304a in
response to a Governor’s request for Federal assistance. When informed that the Secretary of
Defense has invoked such authority, contracting officers may use the emergency acquisition
authorities provided in FAR subpart 18.2, DFARS subpart 218.2, and in the definition of
“simplified acquisition threshold” at FAR 2.101. However, the use of these authorities is limited
to acquisitions in support of specifically identified emergency areas.

This class deviation remains in effect until incorporated in the FAR or is otherwise
rescinded. My point of contact is Ms. Meredith Murphy, who may be reached at 571-372-6098,
or at meredith.murphy@osd.mil.
