MEMORANDUM FOR DISTRIBUTION

SUBJECT: Reissuance of the Navy Marine Corps Acquisition Regulation Supplement (NMCARS)

Effective April 18, 2018, the attached April 2018 edition of the NMCARS supersedes the September 2013 edition of NMCARS. Due to the substantial changes between this document and the previous version, this document should be read in its entirety.

The NMCARS implements and supplements the Federal Acquisition Regulation (FAR), Defense FAR Supplement (DFARS) and the DFARS Procedures, Guidance and Information (PGI) and represents the single repository for policy and guidance to contracting professionals. To the extent this NMCARS conflicts with procurement policy issued in any previous memorandum, the policy in the memorandum should be considered cancelled and/or superseded. Prior guidance that does not conflict with this NMCARS remains in effect.

The online version of the NMCARS available at http://www.secnav.navy.mil/rd/rdapages/NMCARS.aspx will reflect these changes shortly.

The point of contact for the NMCARS is Ms. Denise L. Randolph. She can be reached via telephone on (703) 614-9767 or email at Policy.fct@navy.mil.
